

NATIONAL SKI PATROL®

There are three ski patrol centers at Ski Brule. One on the front side (shown above), one at the base of the backside of the mountain & the third at the top of the mountain. A base radio is located at the front side patrol room so individuals can contact ski patrol themselves. Otherwise, any Ski Brule staff member can contact ski patrol for you.

The FREE Ski Brule Village Bus: Shuttle is available daily 8:00 a.m. – 8:00 pm (or later as needed by our guests). To call for a pick up at your chalet, contact the Lodging Office. When onsite, stop in at the Rental Center, Guest Service, Bear's Den Pro Shop or at the Lodging Office to call for the Village Shuttle Bus.

FREE ski & snowboard corral 8:45-4:15 on Saturday, Sunday & holidays. It is located at the top of the Bunny Trail.
