# Welcome to

George (Ski Brule's original founder) made a promise over 60 years ago to provide "quality family fun at an affordable price". His promise has been kept and expanded to include being the "friendliest, most outgoing, helpful resort with a variety of activities for families with mixed recreational interests". These promises are the reason so many chose to spend their family time creating memories at Ski Brule.

## The Best Snow

**Ski Brule will always provide the best conditions. Ski Brule will be the first to open with the longest season in the region.**

The 'never quit' approach of the Ski Brule Mountain Crew has made this promise a reality. As soon as temperatures drop (even as early as October), Ski Brule starts making snow to be the first to open.

Not all snow is made equal. Snowmaking and grooming is truly a science. It is years of experience, and trade secrets that makes Ski Brule snow the best there is.

SKIWee	4 years
Childcare	1 year

*SKIWee is the best way to start your child on snow. Children learn about their equipment, walking, sliding, riding the towrope, how to carry their gear (so you won't have to) and how to get up after a fall. Three hours of fun on and off the snow. Children learn to ski through fun and games, making their first time skiing an experience they won't forget. Smiles all around as the children play on the slides, bounce houses, hot cocoa breaks, face painting and more!*

*Childcare is ideal for families with young children not ready to ski or children in need of a break off the snow. Children ages 1 & up participate in many activities including art, face painting, story time and outdoor fun (dependent on children's ages and weather).*

*Early season, late season and midweek by advanced reservations.*

Brule memorable by taking a lesson.

## **Why take a lesson?**

Because skiing & snowboarding

Loving the sport makes winter  
months even better!

## **Lessons For Kids:**

# Homestead Lodge, BBQ Dinner, Tubing & Sleigh Ride

The mid-mountain Homestead Lodge is a restored homestead that was built in the 1800's by the Oberg family. The lodge is decorated with antiques and farm implements that were once used to work the land on which it sits.

The scent of brats, burgers and pulled pork on the grill means it's time for lunch at Homestead Lodge. Warm up by one of the antique pot belly stoves or watch the skiers go by from the sunny Homestead deck.

## Homestead BBQ, Tubing & Sleigh Ride

5-8:00 on Saturday and 12/26, 12/28, 12/30, 3/24 & 3/31. BBQ is not available 12/25.

### BBQ Dinner:

Adult \$17, Junior \$13, Kids \$9 & Family \$60.

*Family BBQ includes 2 adults and up to 4 dependent children ages 17 & under.*

The Homestead BBQ dinner, tubing and sleigh ride is a must during your visit. The experience of the campfire before the free sleigh ride to mid-mountain where you hear the sounds of live music as you arrive and then feast on Ski Brule's famous pulled pork, bbq chicken, baked beans, sauerkraut, salad, mashed potatoes, gravy, apple sauce, rolls, cake and beer, wine or soda is found nowhere else. Dinner tickets are available at Lodging Office, Bear's Den Pro Shop and Guest Services.

### Homestead Tubing:

5-8:00 \$5/prsn, unlimited rides.
