Only boats supplied by Ski Brule / Brule Valley Management may be used on Anderson Lake. This includes any flotation devices including but not limited to canoes, kayak, boats & jet skis/personal watercraft. Ski Brule will supply an electric motor & battery for use with our boat. Prior to arrival, clean your fishing gear so it is free of all aquatic plants. This includes bobbers, fish buckets, nets, stringers.. Basically anything that will enter the water. Help keep Anderson Lake FREE of Eurasian Milfoil.
