It's Really All About The Snow!

Winter 23/24 – The winter that wasn't, except at Ski Brule.

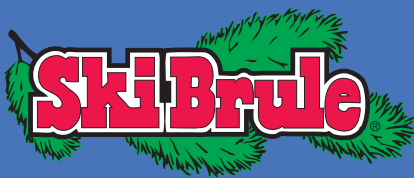

For all of the Midwest, winter 23/24 was the winter that wasn't. Most resorts struggled to be open. Most resorts were never 100% open. While other resorts focus on glamor and high speed, Ski Brule understood that **IT'S REALLY ALL ABOUT THE SNOW**. Without snow, amenities are meaningless. Ski Brule was again open longer and offered more terrain with better snow than any other Midwest resort. While others couldn't or wouldn't, Ski Brule made snow continuously throughout the 23/24 winter recognizing that **IT'S REALLY ALL ABOUT THE SNOW**. Ski Brule is dedicated and well equipped and fully committed to the snow. Ski Brule will continue to always recognize that **IT'S REALLY ALL ABOUT THE SNOW**. **Ski Brule Is Your Snow Resort!**

Kids Are Top Priority At

Fun On & Off The Snow

Face Painting At Kid's Center

A positive and fun first experience is crucial when starting your little one skiing. The Kid's Center at Ski Brule will have them hooked as soon as they are on snow. SKIWee is taught through fun and games so not only are the children having a great time but they do learn how to ski! In a three hour session, children learn about their equipment, walking, sliding, riding the towrope, getting up from a fall, stopping and sometimes even turning! It's not unusual to hear giggles as the children play on the slides and bounce houses, see hot chocolate mustaches or face painted smiles. The Kid's Center at Ski Brule is all about fun on and off the snow!

Childcare is ideal for those not ready to ski or in need of a break. Children participate in activities including art, face painting, story time and outdoor fun (dependent on children's ages & weather).

The Quiet Side Of

Homestead Lodge

The mid mountain Homestead Lodge takes guests back in time. Originally homesteaded by the Oberg family in the 1800's, Homestead Lodge is decorated with historic photos and antique farm & logging implements that were once used to work the land on which it sits.

The original Homestead Act, signed by President McKinley hangs on the wall. Ski from Homestead & North Forty Trails to the lodge for a warmup or bite to eat. Serving food & beverages when lifts operate. The sunny deck on the lodge is the perfect place to tell tales of your day's adventures. The Homestead ponies are also a favorite part of a visit.

BBQ Dinner, Tubing & Sleigh

It's not a complete visit to Ski Brule without attending the Homestead BBQ dinner, marshmallow roast, sleigh ride & tubing on Saturdays & 12/26, 12/28, 12/30, from 5-8:00. The Ski Brule shuttle brings guests to the bonfire & marshmallow roast before the sleigh ride to the BBQ dinner. Toe tapping music fills the air while you fill your tummy with Ski Brule's famous pulled pork, barbeque chicken, sauerkraut, baked beans, mashed potatoes, gravy, salad, rolls, dessert and choice of one beer, wine or soda. Then it's tons of fun at the traditional hike up Homestead Tubing.

5-8:00 on Saturdays and 12/26, 12/28, 12/30.
